

## Alaska Rural Water Association Membership Referral Program

You're passionate about rural water and wastewater training, technical assistance, and source water protection, which is why you're a member of Alaska Rural Water Association. Now, when you share that passion, you can profit as well!

How? Every time you recruit a new full-paying member to ARWA, you'll receive gifts and credits as listed below. To receive your referral credit, simply have the new member put your name and system/company name in the "Referred by" section on their application. It's that easy!

### Rules for the program:

- 1) This opportunity is open to all Alaska Rural Water Association members.
- 2) The program starts January 1, 2012. There is no end date. ARWA reserves the right to change the dates/rules/gifts and credits of this program at any time without advanced notice.
- 3) A member referral will be credited to the recruiter when a new membership application has been received.
- 4) To receive credit for each new membership, your name and/or PWSID number must appear in the "Referred by" section of the new membership application.
- 5) If a new member calls the ARWA office to become a member, they must mention the member that recruited them at that time.
- 6) For recruiting new members, the recruiter will receive gifts and credits as listed below.
- 7) Credits will be determined and a notification will be sent out at the end of each year with your gifts for the level you have achieved that year.
- 8) All membership discounts cannot exceed the cost of your annual membership.
- 9) \*To maintain annual benefits, you must maintain your ARWA membership.
